From the Deputy Commissioner Mandya District

No A 564/44 dt 6th August 1944

Recommends sanction to the grant of the site for the construction of the Girls primary School at Nagamangala

It is seen from the Executive Engineer's report that an area of 140'x100', as indicated in the Sanctioned plan, is required for the construction of the Girls' primary School at Nagamangala

2) The site on which it is proposed to put up the building is not yet handed over by the local Municipal Council to the P W D, as some of the residents of the place have objected to the selection of the present site on religious and sentimental grounds, as it is being utilised for holding Cattle Fair

3 The local Municipal Council have considered the above objection and have resolved that the site proposed may be given free of cost

4) It is for orders of the Tuzaran Commissioner may be consulted in the matter

We propose to Nagamangala sanction

Site for constructing Primary School at Nagamangala.

May be approved
